DON'T FORGET! WORLD'S FAIR ON MONDAY

Vol. XXIV, No. 20 April 2, 1937 Friday

World's Fair Plans Reach Home Stretch; Fair Opened by Torch Relay Team

Booths To Be Erected Sunday Afternoon; Souvenir Programs Availagle

Pounding into the home stretch are the plans for the Intercollegiate World's Fair, with a myriad of latecomers entering exhibits, motion pictures, and histories of various commercial processes. Among these is an unusual exhibit of diamonds and other precious stones.

Will Smith, chairman, stated: "All arrangements are complete and erection of booths will take place on Sunday." Committee members were issuing a warning Thursday that all entrants desiring booths of special dimensions or unusually large size must notify either Will Smith or President Elsa Magnus.

Souvenir programs for the Fair are being made up by Kay Buckley and Helen Eichelberger. Organizations wishing to advertise in the program are urged to communicate with Miss Buckley at once. Advertising rates are 10c for one inch by three and a half inches. One full page of advertising is one dollar. Art work done for the advertiser will be an extra ten cents, Miss Buckley stated. Programs will be given away free at the entrance to the Fair.

The fair will open with the arrival of a member of the Torch relay team. The Torch will be lit at the Yerba Buena Island scene of the 1939 Fair, and carried up Market Street by members of the relay team. Those on the team include: Stan Kuder, Walberto Valadez, Bufor Shreve, Mike Driscoll, Fred Kline, Bob Coter, Nick Lunduar and Dick Davis.

Clubs competing for the ticket selling trophy are requested to make returns before 4 o'clock today to Marie Hirsch, ticket chairman.

Junior Colleges Art Work Shown at Mills

All the Junior Colleges in the State rticipated in an art exhibit that was d at Mills College from March 7 to ril 4, to determine which of the colges participating were up to the art ndard.

There were four prizes, the first being a course given in summer session. scar Kokoschaa, brilliant instructor art at Mills, is the teacher. Board nd room were also included in the rize. If this were put into round numers, it would amount to $100. The dges decided that since they couldn't dge from so few representations preented, the teachers of the victorious chool were asked to choose the final inner.

Sacramento was chosen as having he best exhibit. The art photography f Fresno brought it in second place.

Dr. Alfred Neumeyer, in charge of he Art History Department at Mills, ad charge of the exhibit. The judges ere: State's Miss Mayer; Roy Partidge, chairman of the art department f Mills; Frances Eby, Art Supervisor f the Oakland Public Schools, and onna Davis of San Mateo Junior Colege.

The exhibit is open to the public on undays, Wednesday and Saturdays. ll students interested in art are urged attend.

Editorial

Probably one of the best examples of intercollegiate cooperation took place this week when the other state colleges in California withdrew their requests for allotments from the State Legislature in favor of San Francisco State College.

On behalf of the students of this College, the GOLDEN GATER wishes to express its appreciation to these schools for their action. It is not often that such a spirit is apparent among educational institutions, and this action creates a bond between San Francisco State and its fellow schools that may never be broken.

Therefore, we pledge our undying gratitude to our fellow state colleges for their consideration of our desperate need.

A. M. S. Will Revive Tag Day on April 14

A. M. S. members have started the ball rolling for their second annual "Tag Day". Last year's Tag Day was a huge success, over forty dollars profit went to the building of Roberts Field. Tags will go on sale Wednesday, April 14, and continue through the 16th. The sale will end with the A. M. S. "Tag Day Dance" in the girls gymnasium. Bill Ferem heads "Tag Day" committee.

Tags will sell for 15 cents and as last year the proceeds will go to the building of Roberts Field. The Tag and 10 cents extra will admit one student to the dance. The music for the dance will be furnished by one of State's popular orchestras, and promises to be a huge success.

Ways and Means Committee Meet at Special Session; Bill Presented

Bad Conditions at State Outlined; Dr. Roberts Speaks For College

In a special preliminary session of the Committee on Ways and Means at Sacramento last Wednesday, State's Strategy Committee composed of Ed Cockrum, Howard Demeke, Erwin Decker, and Will Smith presented an organized appeal for the passage of the $2,000,000 bill for new campus buildings. Dr. Alexander C. Roberts, president of the college, gave an opening talk and introduced John J. O'Toole city attorney for San Francisco, who made a strong address favoring the passage of the measure.

In order, Dr. Roberts, Ed Cockrum, Will Smith, Howard Demeke, and Bud Decker spoke on various aspects of the needs of the school. Cockrum outlined the conditions of overcrowding current at College Hall and the dangers of fire. Smith called attention to the promises made by past legislatures and Governors and the Ten Year Program of building for all the State colleges. Demeke spoke on the desperate need of health and medical facilities. Decker told the body of the athletic situation and outlined the need for a new gym of ample size.

Assemblymen Maloney, Williamson, and McMurray of the San Francisco delegation were present and presented arguments on behalf of the college.

Block "S" Sponsors Dance Tomorrow Night

Tomorrow night in the gym the Block "S" sponsors an April Fool Sport Dance, featuring Joe Rosen's orchestra and a bevy of singing talent. The entertainment includes the Jail Birds' Quartet, which sang on the California Hour, and an as yet unnamed vocalist. The price is twenty-five cents per person.

Hal Thompson, chairman of the affair, promises some unique and extraordinary decorations carrying out the Block "S" colors and April Fool sequences. It is hoped that free cigarettes and soft drinks will be served during the intermissions.

Among the highlights of the evening will be a Prize Waltz, with an award for the winner. There will also be novelty dances and tag dances.

Open Road Holds Tea For Members, Faculty

Under Vice-President Margaret Capps, the Open Road was hostess to its members and various members of the faculty, at a tea held Monday afternoon in the activities room.

In keeping with the Oriental theme which the club is seeking to carry out this semester, the activities room was decorated with Japanese lanterns and cherry blossoms. And two twelve-year-old girls in native costume—Eiko Yoshizato and Hideko Shinagawa, pupils of Mrs. Yamatoma, presented the formal Japanese Tea ceremony.

Al Shepherd read a paper on the history of the Japanese Tea ceremony. Assisting Margaret Capps were Kay Ban, Betty Mossawir, Ruth Hallowell, Alice Mitchell, Elaine Twomey, Ann Crossland, Janet Graham and Maybelle Wholly.

Kyriazi Named Prexy For Summer Session

Miss Virginia Kyriazi, active member of W. A. A., was unanimously elected by the Executive Board to act in the capacity of Student Body President during the Summer Session, it was learned today.

In the Spring semester of 1936 Miss Kyriazi was elected Secretary of W. A. A. The following semester members of W. A. A. again elected Miss Kyriazi as one of their leaders, this time President. Her experience as W. A. A. President makes her eligible to act as Student Body Chairman of the Summer Session.

Three important committees will come under Miss Kyriazi's jurisdiction. They are, namely, Information, Welfare, and Hostess. All girls interested in working on either of these committees are urged to get in touch with Miss Kyriazi personally or through her box, No. 305.

Miss Kyriazi will work in coordination with Mrs. Florence Stephenson, Dean of Summer Session and Mrs. Elizabeth Farmer, Head of Recreational Activities.

Galaxy of Educators Honor Dr. Roberts

Honoring Dr. Alexander C. Roberts on the tenth anniversary of his installation as president of San Francisco State College, civic and educational leaders joined with students and faculty members last night at a dinner held at the Western Women's Club.

"Ten Years Ago" was the theme for the affair which was given as a tribute to the ten years of service given to the college by Dr. Roberts. Dr. Edna Barney, acting as toast-master for the occasion, introduced the speakers which included Dr. Walter F. Dexter, state superintendent of public instruction, and other educational leaders of the Pacific Coast.

Portraying the outstanding events that have occurred in the history of the college since Dr. Roberts assumed the presidency in 1927, was a dramatic skit written and directed by Miss Jessie Casebolt. Cast members included Will Smith, George Mirande, Carola Beetz, Sarita Canedo and Clem Zanini.

Guests of honor included: Dr. and Mrs. Roberts, Mr. Will Merryman, representative of the President of the Chamber of Commerce; Dr. Walter R. Dexter, State Superintendent of Public Instruction; Professor William M. Proctor, Professor of Education at Stanford; Mr. McGlade, representing the City Superintendent of Education; Mr. Raymond O. Hanson; Professor and Mrs. Grayson Kefauver; Miss Evelyn Clement, State Director of Teacher Training; Professor Charles S. Morris, San Mateo Junior College; Father H. E. Ring, president of San Francisco University; President A. J. Cloud, San Francisco Junior College; Dean W. W. Kemp, personal representative of President Sproul of the University of California; Mr. Phillip Perham, Director of Correspondence Extension Service; Dr. John Horn; Mr. J. A. Burkman, Advisor to State Colleges in California; Mr. Carl Anderson, Principal Presdidio Junior High School; Charles A. Simonds, Principal Aptos Junior High School; Dr. and Mrs. Elwood Stevenson, Superintendent of School of Deaf; Robert J. White, Assistant County Superintendent of Schools; Professor Henry Lanz, Stanford University; Mrs. D. J. Bacon; J. H. McCallum, member of Public Utilities Commission, and George L. Lacy, of Sebastopol High School.

Trackmen Travel North for Meet with Bear Cubs from Santa Rosa Jaysee

Hopkins Nearing Top Form As Cinder Artists Prepare For Trip Tomorrow

By CHARLES MAURER

Ru Stone, shucks, he's still ineligible (which is a corny way of saying that we're sorry that he can't wear the purple and gold shorts any longer). But that's not such a good start in telling you that S. F. State's tracksters will pack their spikes and haul them to Santa Rosa where they will pick them up and lay them down in competition with Santa Rosa J. C. this Saturday.

They'll do the above mentioned if it doesn't snow. (Your local correspondent can't say "rain" because that's all the local sports writers typed about the last two weeks.) The weather is the first thing to consider in a track meet. No thunder; you watchee. And besides—it MAY snow, because the Chamber of Commerce most likely doesn't even know we're having a track meet. But you do. At least that's what we're supposed to tell you. We're going to have a track meet Saturday with Santa Rosa at Santa Rosa. If it doesn't snow.

Both Undefeated

State and Santa Rosa are undefeated. State because of their victory over the High School All-Stars a fortnight ago and Santa Rosa because they haven't had a meet yet. Santa Rosa, according to Steven Ebert, discus tosser and putter of shots, will be as strong as they are in basketball, football, and the favorite pastime of Dizzy Dean and the Gashouse Boys. But it's in the pastime of Cunningham, Owens and Stone that Cox is interested in his Saturday sojourn at Santa Rosa.

From the All-Star results it looks as if the top flight of the State team is: Evans, Leavitt, and Bassett in the 100 and 220 yard sprints, Lundlow and Collins in the 440 and Kuder and Kline in the distance runs. Hopkins will put in his four cents worth in the high jump, low and high hurdles. Evans seems tops in the broad jump. Ebert, Steven, will quit his practice and do his shot-putting and discus throwing in real action. In the mile relay Lundlow will tag Collins and Collins will tag Hopkins and Hopkins will tag Evans—or vice versa.

If it doesn't rain.

SPORT SHANTS

By DAVE SCHUTZ

"Tag Day," as given by the Block "S" some time within the next two weeks, probably April 16, appears to be one of the best things to happen for the balance of the year. The proceeds will go toward fixing Roberts Field, and in its present condition, it will need plenty of fixing before next football season roles around.

Everyone should buy a tag this year, if only for the purpose of finishing what is now OUR athletic plant. Work is being done in getting the field into shape, but certain equipment will never be obtained unless money is given to the project by the student body.

It appears now as though maybe our various athletic squads are going to have a chance to get in a little competition before Old Jupe Pluvius comes out in all his glory again. The ball club has already snuck in a couple of games while the elderly gent is in hiding, but the track team doesn't make its initial showing until tomorrow.

With this chance to get out and look around without getting wet, State students have a delightful chance to see their athletic heroes in action. Although all the teams will be away tomorrow, the baseball squad comes home to give the San Francisco Junior College its annual trouncing at Roberts Field next Tuesday, and then will probably proceed to trounce the California Junior Varsity Wednesday.

Jayvee Trackmen Second in Meet

Balboa High trackmen won a close decision over San Francisco State College Junior Varsity Wednesday at Balboa, with Sacred Heart trailing. Balboa scored 64½, State Jayvee 62 and Sacred Heart 16½.

Bill Abbey Leader in Onslaught; Stone Hurls Good Contest

Names mean very little to State's baseball squad this year; this fact was proved rather conclusively Wednesday afternoon at Santa Clara when the Gater baseballers trounced the Santa Clara Broncos 15-9 in a loosely played ball game.

Supposed to be nothing more than a breather for the famous college from the prune belt, State upped and smeared the offerings of three of their best pitchers for eighteen hits.

Abbey Stars

Bill Abbey was the big star of the game. Bill, who now is hitting the remarkable average of .527, garnered four hits in five attempts, including a home run. Everyone on the team got at least one hit, with Kenny Wilkes, Joe Lee, Patt Bowers, and Dick Osborne smashing out two, and Hal Wood gathering in three.

From the opening inning on, it was evident that the game would turn into a slugfest. Four hits in rapid succession scored two for State, but the Broncos came right back to take advantage of Runar Stone's early wildness to tally four runs on two hits and as many walks.

Gaters Tie Count

The Purple sluggers came right back in the second to tie the score on three hits and an error, but again the Peninsula nine opened up and poured out four markers to take the lead.

Tired of dilly dallying around, the Gaters really poured it on in the fifth frame. Five hits, some errors and some heads-up baseball accounting for seven runs and the ball game.

Stone, who got better as the game went along, held the Sugar Bowl champs in check for the balance of the contest while his teammates, finding their batting eyes for the first time this season, crossed the rubber four more times in the final two innings.

The victory was the eleventh straight for the squad this year, and marked the first time that they have ever beaten the Broncos in baseball. Last season, in another slugfest, the Gaters lost 13-0.

The Box Score:

Gater Baseballers Tackle San Jose State Spartans in Rival's Series Opener

Netmen Battle Broncos In Try for First Win

With a two week layoff behind them, the San Francisco State racquet wielders, better known as the Gater netmen or tennis squad, meet the Santa Clara court sluggers Saturday at the Palace of Fine Arts.

State at present is resting at the bottom of the Northern California League standings with nary a victory, besides these Purple and Gold white shirted arm wavers have already lost to the Broncos once this season and don't intend to do that again.

Coach Dan Farmer has announced that as usual Ronnie English will be the number one player, with Doug Crary, Rod Kavanagh (spelled without the "u"), Lou Morrison, Jack Trevorrow, and Joe Rosen will rate in that order behind Ronnie.

Doubles competition may find other names creeping into the results, but it is the Crary-English duo that appears to be State's leading two-man team.

These matches start the second half of the league race. U. S. F. is now well into the lead, but the Gater racketeers could climb into the first division by winning the rest of their matches.

This is the last league match scheduled for the Palace for the State netmen, so students have their last chance to see them at home tomorrow.

Nine Meets Third Peninsula Opponent in Four Days; Team Hits Stride

As usual, the question of whether it will rain or not is the fact which will or will not allow the local diamond stars from battling San Jose State tomorrow at San Jose.

The game scheduled for three weeks ago was postponed because of bad weather, but if skies are clear, the game will be played on the Spartan's home lot within twenty-six hours.

Spartans Stronger

San Jose will offer a much stronger squad than that which was upset twice by the Gaters last year. Burt Watson, their star left-handed pitching sensation, is back for his last year, also returning is Les Carpenter, hard hitting outfielder, and Dickie Main, leading second sacker on the squad last season. In addition, Coach Gil Bishop has found a wealth of new material from which he has shaped another bang-up nine.

The Spartans look as though they will give the locals their toughest workout of the campaign, although State always appears to have its best day against the Peninsulans.

Along with Jones the starting lineup will include the following in their batting order: Kenny Wilkes, short stop; Joe Lee, third base; Bill Abbey, catcher; Hal Wood, center field; Pat Bowers, left field; Spider Turner, second base; George Bogdanoff, first base; Dick Osborne, right field.

Bracer and Hike Slated By W. A. A.

Two events are scheduled on the calendar of the W. A. A. Foremost of these is another sportsnight set for today, from 7:30 to 10 p. m. in the Women's gym. A complete program of mixer games, badminton, ping pong and other indoor sports will be given. Hal Harden will act as faculty sponsor for the evening.

A hike to Big Lagoon is set for Sunday, April 4. All women students have been invited to participate by Babette Lau, W. A. A. president. The group will meet under the Ferry clock at 8:30 a. m.

French Club to Hold Election of Officers

A complete reorganization will be the main business of the French Club at their regular meeting this Tuesday.

All members are urged to attend as the election of a new set of officers will be held. This is the first move on the part of the club to reorganize, and it is the belief of Madame Dony, club sponsor, that if new spirit is aroused among the members, the club will be able to have a successful semester.

"We need capable and efficient officers, as well as whole-hearted support of the members," stated Madame Dony. It is believed that with this reorganization, the old members will regain their interest in the club and will again attend the meetings. The French Club is no longer a language club, it having been decided that it was advisable to consider the club as purely a social one.

Music Federation Plans New Frolic

"On Friday evening, May 7, the Music Federation will again leave the campus for a frolic at one of the local hotels," announced Leon Minear, president of the Music Federation.

"Last semester we went to the Palace for our dance and I am sure everyone will agree it was a success," he continued. The music students, from last semester reports, really had an enjoyable evening. There plans for this semester, other than the date, are still somewhat in doubt because the officers are still soliciting student opinion from the different organizations.

High Junior Dinner Dance in Pent House

Members of the high-junior class who attended the dinner-dance held at the Hotel Cecil pent house report that it was highly enjoyable in spite of the small number of students in attendance.

Easter holidays, and the fact that many State students returned to homes far removed from the bay region were given as probable reasons for the comparative smallness of the gathering.

Scribes Participate in A. P. G. World's Fair

At the Scribes Club meeting last week, plans were discussed for participating in the Intercollegiate World's Fair, sponsored by the Alpha Phi Gamma. Scribes will be represented by a Handwriting Analysis Booth.

The committee appointed to take charge was the president, Dorothy Murray, Elinor Stanton, Sonia Selig, Alice Mitchell, and Rhoda Ayres.

Margaret Sullavan says Luckies are the answer for her throat

"I am not sure which is more critical —a Broadway audience or the movie microphones. At any rate, whether in Hollywood or New York, an actress has to be certain that her performances are always up to the peak. And that means being careful of the voice and throat. That's why, though I enjoy smoking thoroughly, I try to use judgment in the cigarette I choose. When I first began smoking, Luckies were my choice, because I found this light smoke advisable for my throat. And that's as true today as ever. Luckies are still my standby."

Margaret Sullavan

An independent survey was made recently among professional men and women—lawyers, doctors, lecturers, scientists, etc. Of those who said they smoke cigarettes, more than 87% stated they personally prefer a light smoke.

Miss Sullavan verifies the wisdom of this preference, and so do other leading artists of the radio, stage, screen and opera. Their voices are their fortunes. That's why so many of them smoke Luckies. You, too, can have the throat protection of Luckies—a light smoke, free of certain harsh irritants removed by the exclusive process "It's Toasted". Luckies are gentle on the throat.
